Subject: Dimock Data Review Plan

Steph,

Here's a draft work plan, some of which we will want Techlaw to move out on very soon (like this weekend and on Monday when EPA is closed.)

So please take a look and comment. I drafted the plan. Rich Rupert had the comment with regard to the use of the database and made some editorial comments. I added some target dates.

I would like to get this done and in Techlaw hands asap. So we will need to get moving on this. You might want to give Suddha a call and give him a heads up.

Rich R. is preparing a blank spreadsheet for Techlaw to fill in. I'd like your comments on that too, to ensure proper data collection formatting.

I have uploaded the information from Cabot to the FTP site for Techlaw's use.

thanks. Rich
